6.2 INDEMNIFICATION

The CONSULTANT shall indemnify and hold harmless the AUTHORITY, and its officers and employees, from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorney’s fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the CONSULTANT and other persons employed or utilized by the CONSULTANT in the performance of the Agreement.

6.3 SURVIVAL

Upon completion of all services, obligations and duties provided for in this Agreement, or in the event of termination of this Agreement for any reason, the terms and conditions of this Article shall survive.

ARTICLE 7 - INDEPENDENT CONSULTANT

7.1 The CONSULTANT is, and shall be, in the performance of all work services and activities under this Agreement, an Independent Consultant, and not an employee, agent, or servant of the AUTHORITY. All persons engaged in any of the work or services performed pursuant to this Agreement shall at all times, and in all places, be subject to the CONSULTANT’S sole direction, supervision, and control. The CONSULTANT shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the CONSULTANT’S relationship and the relationship of its employees to the AUTHORITY shall be that of an Independent Consultant and not as employees or agents of the AUTHORITY.

7.2 The CONSULTANT does not have the power or authority to bind the AUTHORITY in any promise, agreement or representation other than specifically provided for in this Agreement.

7.3 The CONSULTANT shall not pledge the AUTHORITY’S credit or make it a guarantor of payment or surety for any contract, debt, obligation, judgment, lien or any form of indebtedness. The CONSULTANT further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this Agreement.

ARTICLE 8 - AUTHORITY TO PRACTICE

The CONSULTANT hereby represents and warrants that it has and will continue to maintain all licenses and approvals required to conduct its business, and that it will at all times conduct its business activities in a reputable manner.
ARTICLE 9 - COMPLIANCE WITH LAWS

In performance of the Services, CONSULTANT will comply with applicable regulatory requirements including federal, state, special district, and local laws, rules, regulations, orders, codes, criteria and standards.

ARTICLE 10 - SUB-CONSULTANT

10.1 The AUTHORITY reserves the right to accept the use of a sub-consultant or to reject the selection of a particular sub-consultant under this Agreement.

10.2 If a sub-consultant fails to perform or make progress, as required by this Agreement, and it is necessary to replace the sub-consultant to complete the work in a timely fashion, the CONSULTANT shall promptly do so, subject to acceptance of the new sub-consultant by the AUTHORITY.

ARTICLE 11 - FEDERAL AND STATE TAXES

The AUTHORITY is exempt from Federal Tax and State Sales and Use Taxes. Upon request, the AUTHORITY will provide an exemption certificate to CONSULTANT. The CONSULTANT shall not be exempted from paying sales tax to its suppliers for materials to fulfill contractual obligations with the AUTHORITY, nor shall the CONSULTANT be authorized to use the AUTHORITY'S Tax Exemption Number in securing such materials.

ARTICLE 12 - AVAILABILITY OF FUNDS

The obligations of the AUTHORITY under this Agreement are subject to the availability of funds lawfully appropriated for its purpose by the Board of the Solid Waste Authority of Palm Beach County.

ARTICLE 13 - AUTHORITY’S RESPONSIBILITIES

AUTHORITY shall be responsible for providing access to all project sites, and providing information on hand required by CONSULTANT, including; existing reports, studies, financial information, and other required data that are available in the files of the AUTHORITY.

ARTICLE 14 - DEFAULT

14.1 The AUTHORITY may, by written notice of default to the CONSULTANT, terminate the Agreement in whole or in part if the CONSULTANT fails to satisfactorily perform any provisions of this Agreement, or fails to make progress so as to endanger performance under the terms and conditions of this Agreement, or provides repeated non-performance, or does not remedy such failure within a period of ten (10) days (or such period as the Director of Purchasing Services may authorize in writing) after receipt of notice from the Director of Purchasing Services specifying such failure. In the event the AUTHORITY terminates this Agreement in whole or in part because of default of the CONSULTANT, the AUTHORITY may procure goods and/or services similar to those terminated, and the CONSULTANT shall be liable for any excess costs incurred due to this action.

14.2 If it is determined that the CONSULTANT was not in default or that the default was excusable (e.g., failure due to causes beyond the control of, or without the fault or negligence of, the CONSULTANT), the rights and obligations of the parties shall be those provided in Article 15 – Termination for Convenience.

ARTICLE 15 - TERMINATION FOR CONVENIENCE

15.1 The Director of Purchasing Services may, whenever the interests of the AUTHORITY so require, terminate the Agreement, in whole or in part, for the convenience of the AUTHORITY. The Director of Purchasing Services shall give five (5) days prior written notice of termination to the CONSULTANT, specifying the
portions of the Agreement to be terminated and when the termination is to become effective. If only portions of the Agreement are terminated, the CONSULTANT has the right to withdraw, without adverse action, from the entire Agreement.

15.2 Unless directed differently in the Notice of Termination, the CONSULTANT shall incur no further obligations in connection with the terminated work, and shall stop work to the extent specified and on the date given in the Notice of Termination. Additionally, unless directed differently, the successful CONSULTANT shall terminate outstanding orders and/or subcontracts related to the terminated work.

15.3 Unless the CONSULTANT is in breach of this Agreement, the CONSULTANT shall be paid for services rendered to the AUTHORITY’S satisfaction through the date of termination.

ARTICLE 16 - UNCONTROLLABLE FORCES

16.1 Neither the AUTHORITY nor CONSULTANT shall be considered to be in default of this Agreement if delays in or failure of performance shall be due to Uncontrollable Forces, the effect of which, by the exercise of reasonable diligence, the non-performing party could not avoid. The term "Uncontrollable Forces" shall mean any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions.

16.2 Neither party shall, however, be excused from performance if nonperformance is due to forces which are preventable, removable, or remediable and which the nonperforming party could have, with the exercise of reasonable diligence, prevented, removed or remedied with reasonable dispatch. The nonperforming party shall, within a reasonable time of being prevented or delayed from performance by an uncontrollable force, give written notice to the other party describing the circumstances and uncontrollable forces preventing continued performance of the obligations of this Agreement.

ARTICLE 17 - REMEDIES

This Agreement shall be governed by the laws of the State of Florida. Any and all legal action necessary to enforce the Agreement shall be in a State court of competent jurisdiction located in Palm Beach County. With the exception of the choice of law and venue provisions contained herein, no remedy conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

ARTICLE 18 - NON-DISCRIMINATION

The CONSULTANT assures and certifies that it shall comply with Title VII of the Civil Rights Act of 1964, as amended, and shall not discriminate against any individual on the basis of their race, color, national origin, religion, ancestry, sex, age, marital status, familial status, sexual orientation, disability, or gender identity or expression.

ARTICLE 19 - WAIVER

A waiver by either AUTHORITY or CONSULTANT of any breach of this Agreement shall not be binding upon the waiving party unless such waiver is in writing. In the event of a written waiver, such a waiver shall not affect the waiving party's rights with respect to any other or further breach. The making or acceptance of a payment by either party with knowledge of the existence of a default or breach shall not operate or be construed to operate as a waiver of any subsequent default or breach.
ARTICLE 20 - SEVERABILITY

20.1 The invalidity, illegality, or unenforceability of any provision of this Agreement, or the occurrence of any event rendering any portion or provision of this Agreement void, shall in no way affect the validity or enforceability of any other portion or provision of the Agreement. Any void provision shall be deemed severed from the Agreement and the balance of the Agreement shall be construed and enforced as if the Agreement did not contain the particular portion or provision held to be void. The parties further agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

20.2 The provisions of this section shall not prevent the entire Agreement from being void should a provision which is of the essence of the Agreement be determined to be void.

ARTICLE 21 - ENTIRETY OF AGREEMENT

The AUTHORITY and the CONSULTANT agree that this Agreement sets forth the entire agreement between the parties, and that there are no promises or understandings other than those stated herein. This Agreement supersedes all prior agreements, contracts, proposals, representations, negotiations, letters or other communications between the AUTHORITY and CONSULTANT pertaining to the Services, whether written or oral. None of the provisions, terms and conditions contained in this Agreement may be added to, modified, superseded or otherwise altered except by written instrument executed by the parties hereto.

ARTICLE 22 - MODIFICATION

The Agreement may not be modified unless such modifications are evidenced in writing signed by both AUTHORITY and CONSULTANT. Such modifications shall be in the form of a written Amendment executed by both parties.

ARTICLE 23 - SUCCESSORS AND ASSIGNS

AUTHORITY and CONSULTANT each binds itself and its partners, successors, assigns and legal representatives to the other party to this Agreement and to the partners, successors, executors, administrators, assigns, and legal representatives. CONSULTANT shall not assign this Agreement without the express written approval of the AUTHORITY via executed amendment.

ARTICLE 24 - CONTINGENT FEES

The CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONSULTANT to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for the CONSULTANT, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this Agreement.

ARTICLE 25 - TRUTH-IN-NEGOTIATION CERTIFICATE

25.1 Execution of this Agreement by the CONSULTANT shall act as the execution of a truth-in-negotiation certificate certifying that the wage rates and costs used to determine the compensation provided for in this Agreement are accurate, complete, and current as of the date of the Agreement.

25.2 The said rates and costs shall be adjusted to exclude any significant sums should the AUTHORITY determine that the rates and costs were increased due to inaccurate, incomplete or noncurrent wage rates or due to inaccurate representations of fees paid to outside consultants. The AUTHORITY shall exercise its rights under this "Certificate" within one (1) year following payment.

Agreement No. 17-205
ARTICLE 26 - OWNERSHIP OF DOCUMENTS

CONSULTANT shall be required to cooperate with other consultants relative to providing information requested in a timely manner and in the specified form. Any and all documents, records, disks, original drawings, or other information shall become the property of the AUTHORITY for its use and/or distribution as may be deemed appropriate by the AUTHORITY.

ARTICLE 27 - PUBLIC RECORDS, ACCESS AND AUDITS

27.1 It is the intent of this Article to maintain compliance with the Florida Public Records Law, Ch. 119, Florida Statutes, as amended effective July 1, 2016.

27.3 The CONSULTANT shall maintain records related to all charges, expenses, and costs incurred in estimating and performing the work, in accordance with the timeframes and classifications for records retention as per the General Records Schedule GS1-SL for State and Local Government Agencies (see: http://dos.dos.state.fl.us/library-archives/records-management/general-records-schedules/) after completion or termination of this Contract. The AUTHORITY shall have access to such records as required in this section for the purpose of inspection or audit during normal business hours, at the CONSULTANT’S place of business.

27.4 Notwithstanding anything herein to the contrary, the CONSULTANT expressly acknowledges that: i) it is providing a specific service to the AUTHORITY in the performance of this Contract; ii) acting on behalf of the AUTHORITY in the performance of this Contract; iii) that it has read and is familiar with the Florida Public Records Law, Ch. 119, Florida Statutes, as amended, and both understand its responsibility and obligation to comply with this law; and iv) to the extent any question(s) arise regarding its duties to produce public records, it shall contact the Records Manager with same.

27.5 Any public records requests directed to, or related in any way to this contract shall be directed solely to the Records Manager. If the requested records are not in the possession of the Records Manager they shall immediately notify the CONSULTANT and the CONSULTANT must provide the records or allow access to the records within a reasonable time. A CONSULTANT who fails to provide the records to the public agency within a reasonable time may be subject to penalties under Florida Statutes (F.S) §119.10, and §119.10(2) provides that a person who willfully and knowingly violates the Public Records Act commits a misdemeanor of the first degree, which is punishable by up to a year in jail and a fine not to exceed $1,000.

27.6 Therefore, the CONSULTANT is required to:

1) maintain public records that ordinarily and necessarily would be required by the AUTHORITY in order to perform the service;
2) provide the public with access to public records on the same terms and conditions that the AUTHORITY would provide the records and at a cost that does not exceed the cost provided by Florida law;
3) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and

4) meet all requirements for retaining public records and transfer, at no cost to the AUTHORITY, all public records in possession of the CONSULTANT upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. When requested by the AUTHORITY, either during performance of the contract or after termination or completion of the contract, all records stored electronically must be provided to the AUTHORITY in a format that is compatible with the information technology systems of the AUTHORITY.

27.7 Failure of the CONSULTANT to comply with these requirements shall be a material breach of this Contract.

27.8 CONSULTANT shall maintain financial and program records to justify all charges and costs incurred in performing the work for at least three (3) years following final payment by the AUTHORITY as Federal Emergency Management Agency sub-grantee as required by 2 CFR 200.333. The AUTHORITY shall have access to such books, records, and documents as required in this section for the purpose of inspection or audit.

All parties doing business with the AUTHORITY and receiving AUTHORITY funds shall fully cooperate with the Inspector General including providing access to records relating to this agreement. The Inspector General has the power to subpoena witnesses, administer oaths, require the production of records, and audit, investigate, monitor, and inspect the activities of the CONSULTANT, its officers, agents, employees, and lobbyists in order to ensure compliance with contract specifications and detect corruption and fraud. Failure to cooperate with the Inspector General or interference or impeding any investigation shall be in violation of Ordinance 2009-049, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.

The AUTHORITY will require periodic documentary proof, acceptable to the AUTHORITY, of the implementation, progress, and final outcome of the proposed Plan. 34.2 The Agreement in no way restricts or interferes with any State Agency or Political Subdivision of the State of Florida from re-solicitation.

ARTICLE 35 – THIRD PARTY BENEFICIARY DISCLAIMER

It is not the intention of this contract to create third party beneficiary status in any person or entity that is not a direct party to the contract awarded as a result of being the successful CONSULTANT, and no language in the contract should be construed or interpreted as creating a third party beneficiary.

ARTICLE 36 - BUY AMERICA REQUIREMENTS

The CONSULTANT agrees to comply with the requirements of the Federal Buy America law (See 23 U.S.C. 313, ISTEA Sections 1041(a) and 1048(a), as they may be amended from time to time), as they relate to Federal-aid contracts and the use of steel and iron produced in the United States. A description of the requirements of Buy America is set forth in Exhibit D, which is attached hereto and incorporated by reference as part of this Agreement. ARTICLE 37 - DISADVANTAGED BUSINESS ENTERPRISES

37.1 The Agreement is subject to the requirements of 49 CFR Part 26. The CONSULTANT shall not discriminate on the basis of race, color, national origin, or sex in the performance of the Agreement. The CONSULTANT shall carry out the applicable requirements of 49 CFR Part 26 in the award and administration of this U.S. DOT-assisted contract. Failure by the CONSULTANT to carry out these requirements is a material breach of Agreement, which may result in the termination of this Agreement or such other remedy as the
AUTHORITY deems appropriate, including but not limited to the withholding of payments. Each subcontract the CONSULTANT signs with a sub-consultant must include the assurance in this paragraph. (See 49 CFR 26.13.) Upon request, the CONSULTANT will provide the AUTHORITY with a copy of each subcontract it enters into.

Audits may be conducted to review payments to DBE sub-consultants. The CONSULTANT will fully cooperate with the AUTHORITY, FDOT or FEMA regarding the monitoring of sub-consultants and payments made thereto.

ARTICLE 38 - CERTIFICATION REGARDING SUSPENSION AND DEBARMENT

38.1 This Agreement is a covered transaction for purposes of 49 CFR Part 29. The CONSULTANT must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into. CONSULTANT’S certification is a material representation of fact relied upon by the AUTHORITY. If it is later determined that the CONSULTANT knowingly rendered an erroneous certification, in addition to remedies available to the AUTHORITY, the State or Federal Government may pursue any available remedies, including but not limited to suspension and/or debarment. The CONSULTANT further agrees that it will include a provision requiring such compliance in all of its subcontracts or lower tier covered transactions.

ARTICLE 39 - ACCESS TO RECORDS AND THEIR RETENTION

39.1 This provision shall supplement Article 27 of the Agreement. The CONSULTANT shall maintain adequate records to justify all charges, expenses, and costs incurred in estimating and performing the Agreement for at least five (5) years after completion or termination of this Agreement or FDOT’s closure of an “emergency event” with the Florida Division of Emergency Management, whichever comes last, except in the event of litigation or settlement of claims arising from the performance of the Agreement, the CONSULTANT agrees to maintain said records until all litigation, claims, appeals or exceptions related thereto have been resolved. The records shall be maintained at a location in Palm Beach County, Florida or such other location in Florida approved by the AUTHORITY.

39.2 The CONSULTANT shall make all of its books, records, and other documents related, in any manner to its or its sub-consultants’ performance of the Agreement, available to the AUTHORITY and any other funding entity (e.g., FDOT, FEMA, the Comptroller General of the U.S. or any of their authorized representatives) for the purpose of examination, audit, reproduction, excerpts and transcripts, during normal business hours, at

Source of Supply – Steel and Iron (Federal Aid Contracts Only): For Federal-aid contracts, the CONSULTANT will only use steel and iron produced in the United States, in accordance with the buy America provisions of 23 CFR 635.410. CONSULTANT will ensure that all manufacturing processes for these materials occur in the United States. A manufacturing process is any process that modifies the chemical content, physical shape, size or final finish of a product, beginning with the initial melting and mixing and continuing through the bending and coating stages. A manufactured steel or iron product is complete only when all grinding, drilling, welding, finishing and coating have been completed. If a domestic product is taken outside the United States for any process, it becomes foreign source material. When using steel and iron as a component of any manufactured product incorporated into the project (e.g., concrete pipe, pre-stressed beams, corrugated steel pipe, etc.), these same provisions apply, except that the manufacturer may use minimal quantities of foreign steel and iron when the cost of such foreign materials does not exceed 0.1% of the compensation or $2,500, whichever is greater. These requirements are applicable to all steel and iron materials incorporated into the finished work, but are not applicable to steel and iron items that the CONSULTANT uses but does not incorporate into the finished work. The CONSULTANT shall provide a certification from the producer of steel or iron, or any product containing steel or iron as a component, stating that all steel or iron furnished or incorporated into the finished product was manufactured in the United States in accordance with the requirements of this provision. Such certification shall also include: (1) a statement that the product was produced entirely within the United States, or (2) a statement that the product was produced with the United States except for minimal quantities of foreign steel and iron and specify the actual value of the product. Each such certification shall be furnished to the AUTHORITY prior to incorporating the material into the project. When FHWA allows the use of foreign steel on a project, CONSULTANT shall furnish invoices to document the costs of such material, and obtain the AUTHORITY's written approval prior to incorporating the material into the project.
