Meeting Notice

2020 Hurricane Debris Management Meeting
Wednesday, May 13, 2020 – 9:00 am to 11:00 am
(Registration 8:15 am – 9:00 am)
Solid Waste Authority Auditorium
7501 N. Jog Road, West Palm Beach

The Debris Management Interlocal Agreements between the SWA, local governmental units and special districts in Palm Beach County require an annual pre-hurricane debris management coordination meeting.

As a participant to this Interlocal Agreement, we request that you send representative(s) to this meeting familiar with both operational aspects of debris management and reimbursement processing. We encourage key Financial and Public Works personnel from your agency attend the workshop.

An agenda will be provided prior to the meeting. Anticipated subjects to be covered include:

- SWA Debris Management Plan
- Truck certification and placard procedures
- Electronic Load Ticket review
- Load site and debris site monitoring procedure review
- Potential debris site locations and usage
- Debris management and reimbursement overview and updates
- Q & A

The Authority invites representatives from Palm Beach County Emergency Management, FEMA, and FDOT to attend this meeting. Also in attendance will be the Authority's debris management contractors and debris monitoring contractor.

Please mark your calendar for this important debris management meeting and confirm your attendance by contacting Donna Sayles at 561-640-4000 ext. 4601, or dsayles@swa.org.

We look forward to seeing you.
