**RE: Solid Waste Authority of Palm Beach County
Central County Transfer Station
Condition of Certification for Palm Beach County, Florida
15th Annual Monitoring Report (2023)**

As required by the Palm Beach County Health Department Condition of Certification, the Solid Waste Authority of Palm Beach County (SWA) is submitting the 15th Annual Monitoring data, for the 15th year of monitoring at the Central County Transfer Station in Lantana, Florida. Monitoring of groundwater and surface water was conducted quarterly (May 2022, August 2022, November 2022 and February 2023). The data is also posted on the SWA web site swa.org.

If the Health Department would like to meet to go over this submittal or have any questions or comments, please contact Mary Beth Morrison, Director of Environment Programs at 561-640-4000 ext. 4613.

Sincerely,

Kevin L. Johnson P.G.
Geologist
