54. METHOD OF AWARD: ALL BIDDERS:

A. Contract will be awarded to the two (2) lowest priced responsive, responsible Bidders on an “All-or-None Total Offer Item” basis. BIDDER with the lowest total Application Cost will be deemed the lowest priced responsive BIDDER, subject to the terms and conditions herein. BIDDER is required to submit on the Bid Form herein, an Item Description, Title and/or Manufacturer Name/Number from Catalog List submitted, Unit Price per gallon, percentage (%) discount from Catalogs/Price Lists/Data, and Dilution rate (ratio). The next lowest BIDDER meeting specifications, terms and conditions shall be secondary. The AUTHORITY will give the primary Vendor first opportunity to perform all available work. If the AUTHORITY at its sole discretion determines that the primary Vendor cannot respond in time, the secondary will be contacted to perform the required work. Failure to respond to work requests on three (3) occasions will be grounds for cancellation of the contract.

C. The AUTHORITY reserves the unqualified right, in the AUTHORITY’s sole and absolute discretion; to reject any and all Bids, to waive irregularities, or to accept the Bid which in the AUTHORITY’s judgment; will under all circumstances best serve the public interest.

55. PERCENTAGE DISCOUNT:

Any adjustment would require irrefutable evidence and written approval by the Director of Purchasing Services.

For any adjustment to commence on the first day of the exercised option renewal period, the successful BIDDER’S request for adjustment must be submitted thirty (30) days prior to the expiration of the current contract term.
